9:00am-4:00pm

*Class starts promptly at 9:00am. Please be set up & ready to paint by then.
(Doors open at 8:30am)*

SUPPLY LIST for Pastel Artists

Pastels - *Bring what you normally work with. Make sure you have a good range of various hues, ranging from lightest to darkest darks. I advocate working with a modest selection of pastels, not every color ever made. Do make sure you have a nice selection of colorful darks, however, so that you aren't stuck using black every time you need to achieve a dark color.*

Surfaces

- Pastel Paper
 - *A few large sheets of pastel paper or a number of smaller sheets*
 - *Some neutral grey, some white.*
 - *It doesn't have to be your best paper, but it needs to be able to take a few layers of pastel*

Tools & Other Items

- Grey Scale and Color Wheel
 - *You can purchase these from Mainstreet. I want to be sure we are all using the same items. If you already own one or both of these, bring them in and I can tell you if they will work or not.*
- Large Board to tape pastel paper to
- Making Tape
 - *Must be neutral color, not blue*
- Ruler 12" is long enough
- Paper Towels
