SUPPLY LIST

- **Pastels** - *Pastels vary a lot in softness and expense. A selection of some hard and soft is best. Please bring a wide variety of colors and values. For hard and cheap pastels, NuPastels are good. Here are my other brand recommendations.*
 - Terry Ludwig - soft and rectangular, a favorite of mine
 - Great American - soft and rectangular, another favorite
 - Blue Earth - soft and rectangular, wonderful pastels
 - Unison - a great solution, especially if you can only get one kind
 - Schminke - creamy, but I prefer Terry Ludwig

- **Surfaces** - *The best papers are sanded ones. Colorfix Art Spectrum is rougher, but I love it. Pastelmat is great and has a nice finish as well.*
 - ArtSpectrum Colorfix Paper any colors, NOT white or very light. I prefer Terra Cotta, Raw Sienna, Aubergine and other darks. You can buy a sample pack or single sheets at Mainstreet.
 - Pastelmat - also available at Mainstreet in sand or dove grey. If you'd like to order darker tones, please let Mainstreet know, and we can order them ahead for you.
 - Newsprint or Canson or some toned paper for sketches

- **Other Supplies**
 - Vine Charcoal - just a few pieces
 - Drawing Board
 - Your own photo references for landscape, portrait and still life
